Dear parent/caregiver,

A careers market day has been organised for students to assist them in their future study, training and career options and your son is invited to attend the market. The careers market will take place at the Bankstown Campus of the University of Western Sydney. Details of arrangements regarding the market day are shown below:

- Day: Wednesday 16th July 2014.
- Departing from school: 12-30pm
- Arriving at market: 1pm
- Leaving market: 2-30pm
- Arriving back at school: 3-00pm
- Travel by: bus
- Cost per student: Free
- Additional requirements: school uniform

Your son needs to hand in the permission slip below to the administration office of the school.

Your son needs to be on time for the bus and to have his name marked on the roll at the front of the school when departing for the careers market. Likewise, he must be on time to catch the bus from the careers market back to school. No student is allowed to drive to the careers market. All students must catch the bus to the market and follow teacher instructions.

The school reserves the right to restrict or cancel the buses if the number of students wanting to go to the Careers Market is insufficient to cover the hire costs.

Yours faithfully,

Mr L Cooper
Careers Adviser
For Mr M Saxon
Principal
